

Centipedes

A Centipede is a group of runners with a common theme. It can be that you all wear the same shirts or hats, connect yourselves with large rubber bands, go around the stadium as a conga line or anything else your creativity allows for.

Your baseball or cheerleading team can run in uniform,

Your class can wear paper hats.

You can run with your family and run again with your centipede.

Prizes will be awarded for the best centipedes
